

## Inauguration of PELS SBC

On Thursday 15th November 2018 we the students of NSS College of Engineering got the privilege of hosting the inauguration of IEEE PELS Student Branch Chapter, the first Chapter in Kerala section. The program was started at 11:00 am and was commenced with a prayer song to the almighty, followed by addressing code of ethics by Ms. Rakhi R, Chairperson of IEEE PELS SBC NSSCE. The auspicious occasion was inaugurated by Er. C M Varghese, IGA TECH Industrial Electronics Pvt Ltd. who presided over the function as the chief guest. Dr. Leesha Paul, IEEE SB counsellor greeted the guests with a vibrant welcome speech following which Dr. Sudha T, the principal of NSSCE gave a presidential address. This was succeeded by a felicitation ceremony by Dr. Vasanthi V (PELS SBC advisor). Mr. Abhiraj V S, vice chair of PELS SBC delivered the vote of thanks. The event was attended by 75 students including the Post Graduate students of M- tech power electronics specialization. The PELS SBC inaugural function was concluded at 12.30 pm after a technical session taken by the chief guest Sri. C M Varghese. The session was based on the History of Power Electronics. The event was made more colourful by the active participation of IEEE members of the college

## **Content writing competition held on 25<sup>th</sup> September**

The competition was scheduled about a week before the event. Several meetings were held regarding the planning of the program. The event is scheduled as a part of IEEE day celebration. A pre competition was conducted to shortlist the most skilled students. And about 12 of them were selected for the competition. A wide publicity was given for the event inside and outside the campus. The content writing competition was charted for one hour with the topic 'Inevitable Evil' Which is held at IEEE room NSS College of Engineering on 25 September 2018 at 4 pm .The main objective of the program was to improve the writing skills of the students and spread the spark of IEEE day . The winners of the competition were given an opportunity to join the IEEEESB NSSCE writing team. The competition was organised by Haritha H and Athira M who were the execom members of IEEE SB NSS College of Engineering. It was a successful event and it kick started the real capability of students. The event wined up at 5pm.

## Debate contest on 6<sup>th</sup> October as a part of IEEE Day

The debate competition was commenced on 6th October 2018 at 4.00pm in the Alumni hall. The disputation held on the topic ' should section 377 of IPC be removed from constitution and decriminalized in India? It was conducted with 14 participants grouped into pairs. The judgment was done by Prof. Sudheer. P and Assnt.Prof. Nimitha Muraleedharan of electrical department. With the strong debating that lasted for one hour, Alvin Sebastian and Divin Krishnan of 7th semester won the prize. The volunteering section was handled by the IEEE members Athira. S, Arya Thambi and Ajay.

### **33.ENCRYPTA 1.0 on October 11-12**

Encrypta € 1.0 is first ever coding codes in the journey of IEEE SB NSSCE .The event was scheduled as a part of IEEE day celebration. A wide publicity was given for the event inside and outside campus. The main objective of the programme was to improve the coding skills of the students and spread the spark of IEEE day. The event was conducted in 2 day with 3 phases .The preliminary phase was Ekachakra, the second phase Panchachakra, and the final phase Chakravyuha.Phase 1 was conducted on 11th October 2018 in DLH Hall at

4pm.Many students participated in this phase of which 13 students were selected for the next phase. In the Ekachakra students were given 3 questions for 15 minutes ,the students who got correct output were selected for the Panchachakra.Phase 2 were held on 12th October at 1 pm ,in this 5 questions were given for 45 minutes. The students who cleared this round were selected for the final round. Phase 3 Chakravyuha was conducted on the same day with 6 students at 4pm .In this students were given 2 questions for 10 minutes and finally Akarsh Ashok of S3CS won the title " THE ENCRYPTER ".The winners of the competition were given amazon gift cards. It was a successful event and it revealed the intelligent coding skills of students
